Impossible to play with pants. It's always fun when you kill enemies and then they show up in the middle of a fight. Would buy this DLC again.. I am a camel, bros!. Just a challenge.. decapitated a captain , shows up later in the middle of a fight saying i should've maken sure he was dead.

This is not DLC, it's something that should've been in the base game, not worth it if you didn't get the season pass.

DLC implies content that changes the game majorly and this doesn't, DLC shouldn't exist to begin with..... This game is f\*\*\*ing amazing.. Not recommend can't play as Spice Girls

. awesome game. unlimited things to do even after you finish the main game. Got it from GOTY edition ;). really good game with exelent action !!!!
